

Subject: Application for Part-Time Software Engineer Position

Dear Hiring Manager,

I am writing to express my keen interest in the Part-Time Software Engineer position at Siemens. With a strong background in software development and a passion for innovative technologies, I am confident in my ability to contribute effectively to your team.

As a proficient software engineer, I have extensive experience in Python, FastAPI, and Django, along with expertise in AI and machine learning. My experience includes developing scalable backend systems, implementing AI-driven solutions, and optimizing software performance. Currently, I am working on projects that integrate artificial intelligence into personalized learning systems, which align well with Siemens' commitment to digitalization and smart technologies.

My technical expertise, combined with my ability to work in agile environments and collaborate with cross-functional teams, makes me a strong candidate for this role. I am particularly excited about the opportunity to work with Siemens, a company renowned for its innovation and impact on the technology industry.

I would welcome the opportunity to further discuss how my skills and experiences align with the needs of your team. Please find my resume attached for your review. I look forward to your positive response.

Thank you for your time and consideration.

Best regards,

Ertuğrul Bayram
